A Remarkable Cure of Rheumatism.
WESTMINSTER, Cal., March 21, 1894.—Some time ago, on awakening one morning, I found that I had rheumatism in my knee so badly that, as I remarked to my wife, it would be impossible for me to attend to business that day. Remembering that I had some of Chamberlain's Pain Balm in my store I sent for a bottle, and rubbed the afflicted parts thoroughly with it, according to directions, and within an hour I was completely relieved. One application had done the business. It is the best liniment on the market, and I sell it under a positive guarantee. R. T. HARRIS, For sale by
DR. M. G. PADEN, Druggist.
Having used Chamberlain's Cough Remedy in my family and found it to be a first class article, I take pleasure in recommending it to my friends. J. V. FOSTER, Westport, Cal. For sale by
DR. M. G. PADEN, Druggist.
Some time ago I was taken sick with a cramp in the stomach, followed by diarrhoea. I took a couple of doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy and was immediately relieved. I consider it the best medicine in the market for all such complaints. I have sold the remedy to others and every one who uses it speaks highly of it. J. W. STRICKLER, Valley Center, Cal. For sale by DR. M. G. PADEN, Druggist.

YOU MAY STRIKE IT RICH.

If you could pick up \$21,000 in gold by one week's work, it would be worth going a few hundred miles to get, wouldn't it?
That's just what the Aztec (Colfax Co., New Mexico) produced in seven days with total product to date of nearly a million dollars.
This rich mine is one of many in the newly discovered Moreno Valley and Ute Creek placer and quartz gold districts. Take Santa Fe Route to Springer, N. M., thence stage to the camp.
Short winters, healthful climate and rich prospects. This may be the chance of a life time; ask local agent A. T. & S. F. R. R. for illustrated pamphlet. It tells the truth about this new country.
